

La Bella Handmade Cocktails

La Bella makes your favorite cocktail the old-fashioned way, using recipes and ingredients based, in part, on those from the 1930s/40s. (Note that certain choices may take us a bit longer to create, such as those that are muddled by hand. It's worth the wait!) If you don't see your favorite on our list, please just ask.

Kid's Martini Tradition

We have a tradition at La Bella of offering a special Kid's Martini (sans the adult fun part.) The first one is "on the house" for anyone under 21 (\$4.95 after that), just ask your server. Flavors usually available include blueberry, blackberry, raspberry, sour cherry, red currant, pomegranate and strawberry.

Non-Alcoholic Special Martinis (\$4.95) – Served "Up"

Refreshing and light, we muddle fresh limes & oranges, add your choice of blueberry, blackberry, raspberry, sour cherry, red currant, pomegranate or strawberry syrup and finish with a splash of Sprite.
